

To do Text Giving, you will need to have, or set up, an account with Tithely, which you will be able to do from your phone during the first time you use Text-to-Give.

The first time you Text-to-Give, text the word "Give" to 855-642-1503, ValleyPoint Church's Text-to-Give number. You can save that number as a contact in your phone later.

You will receive a text back asking you to sign up, and/or link texting with your account.

Click on the link and it will walk you through step by step for your first gift.

There you can enter an amount, set giving to come from your registered bank account, or credit card, etc.

After clicking on "Give!", the system will text you to let you know that you are all set up for future giving by texting the \$ Amount, or \$ Amount and designation (tithes and offering, Benevolence, etc), or scheduling recurring giving, as well as other options. See full list of options below.
