

Family Guide for Reopening KidPoint

1. Which hours and age groups are you hosting in-person KidPoint Gatherings?

In-person KidPoint Gatherings will be held during our 10:00 AM, and 11:30 AM gatherings for all 1 year of age (must be walking) through 5th grade. We will keep you updated as we are able to offer more options. In addition to in-person gatherings, we will also continue to provide [online gathering options for both LII'K and LIVE](#) for the foreseeable future. If you or anyone in your household are feeling sick in any way or are part of a vulnerable population, we encourage you to join us online instead of in-person.

2. Do I need to register before we arrive?

Yes! If you are bringing your kids to KidPoint, you will need to register each child in advance. Please be aware, although we would love for as many kids to gather in-person as possible, our gatherings will be at limited capacity.

3. How and where do I register for my kids to attend KidPoint?

Please use this [registration link](#) to select the appropriate time and age group for each child that will be attending. For Elementary age groups, please register your child for the grade they just entered this fall.

Shortly after registering, you will receive an email confirming your registration. (Please check your junk mail folder if you do not see it in your inbox.)

4. Can I register my child for more than one gathering?

At this time, we are asking that each child be registered for only one gathering. This will not only help limit exposure and provide a safer environment for our kids, but will allow others to attend since we are at limited capacity.

5. What can I expect when I arrive, and how does the check-in and check-out process work?

Before heading to our KidPoint lobby, we ask that you designate only one adult to handle check-in and drop off duties for your child(ren.) We are asking that the same adult returns after the gathering for pick up. Once you arrive at the lower level, our Kidpoint check-in team will be there to welcome your family. Using your last name we will locate the reservation for each child. When checking in for the first time this school year, we will also update your child's grade and contact information for the 2020 -2021 school year. Please allow several extra minutes to facilitate in updating our records.

Once this process is complete, we provide a printed name tag for each child along with a guardian tag, used to pick up your child(ren). You will then proceed to the age-appropriate room to drop off your child. We are asking parents to drop off their children at the door.

Please do not linger, and please do not enter the rooms with your child. Once you've said goodbye to your child, please proceed to the adult gathering upstairs.

After the gathering, please come immediately to the same KidPoint door where you dropped off your child(ren). We will allow a limited number of adults into the KidPoint lobby to maintain appropriate space capacities and social distancing. Thank you in advance for your patience.

6. What have you done to prepare the space, and what extra cleaning is taking place?

We will disinfect each KidPoint space, including high-touched surfaces before each of the gatherings. We also will be rotating clean toys and fresh materials into each gathering.

7. What are the hygiene requirements?

Please take advantage of using our hand sanitizer stations as you enter and exit the facility. After restroom use, please wash your hands thoroughly with soap and water for twenty seconds. Hand sanitizer stations are also available in many locations throughout the building including, check-in. Children will be asked to use hand sanitizer when entering a room and as needed throughout the hour.

8. Are the KidPoint bathrooms available for use?

To limit exposure, our kid's bathrooms will be open for children to use on an emergency basis only. Please make sure your child has used the restroom before entering any KidPoint programs.

9. Are masks required?

Masks are required for everyone 4 years and up including, children, parents, volunteers, and any other individuals while on ValleyPoint property. We encourage you to bring your own masks, but we will have some available upon arrival if you don't have one.

10. How are you maintaining physical distancing?

We are limiting building and room occupancy to allow increased space for physical distancing. Chairs and or carpet seating spots will be placed in an effort to maximize space between each child. Our games and activities are designed to engage kids while maintaining a safe distance. Obviously, it is more difficult to maintain a safe distance in our KidPoint Lil' K wing (Toddlers, Preschool, and Pre-K). Regardless, we are still committed to reducing these risks where feasible.

11. Will you be serving my child snacks?

At this time, we will be refraining from providing any food or snacks during our KidPoint gatherings. We also ask that you do not send your child with any snack or drink.

12. Will our family still be receiving Parent Cue Cards and God Time Cards?

Yes! Parent Cue Cards and God Time Cards are available for self-service on our Parent Resources Wall in the KidPoint Lobby. You can also find them in digital form [here](#), or as an attachment to our "KidPoint weekly email."

13. Can my child bring their own toys or belongings?

To avoid the possibility of germs entering the KidPoint space, germs coming in contact with your child's belongings, or anything being misplaced, we ask that you refrain from having your child bring anything into the rooms but themselves.

If you have any other questions, please do not hesitate to reach out to us at kidpoint@valleypointchurch.com, and we will be happy to answer any questions you may have.
